## MISS ATHLEIN BENTON

The Senior class has never felt the loss of a teacher more keenly than the loss of Miss Benton. When it was announced that Miss Benton would not return for the rest of the year due to illness, the Seniors felt that she could not be replaced. Where could one find a teacher of Miss Benton's experience and understanding?

She was well qualified to instruct students. Among the many schools she attended were Sweet Briar, Eastern Carolina Teachers' College and Columbia University. Prior to coming to Chapel Hill she worked in a bank where she obtained her commercial and business experience. When she came to our school, she taught the first business courses ever to be offered. This year she taught business correspondence, retailing, general business, typing, and mathematics. This list of courses shows how invaluable she was to the school. She has been here two years.

She came here when we were Juniors. It is doubtful whether we would have come through the year as well as we did without her help. Her advice on how to make money for the Junior-Senior dance was exceptionally practical. She gave us the ideas for our successful night club. She helped us to plan and execute our Junior-Senior dance. She came along with us when we became Seniors. She was adviser for the *Proconian*. In addition she helped us with our vocational problems, helped us send out our college applications, and helped us with many smaller problems. Is it any wonder that we felt her loss so keenly when she was forced to leave school?

We, the Senior class, sincerely hope Miss Benton will be able to come back to Chapel Hill next year so that the next crop of Seniors will have her invaluable advice and aid and will be able to love and respect her as we did.

# Classes

### JANE ANDERSON

Hi-Y (1, 2, 3, 4, President 4); President of the Local Hi-Y Conference (4); Basketball (1, 2, 3, 4); Forum Club (2); Tennis (2); Softball (1, 2); Annual (4); Girls' Athletic Association (3, 4, Vice-President 3, 4); Junior Kiwanian (4).

Whenever Jane attacks a problem, she does it with a singleness of mind and purpose that would put a bulldog to shame. When Jane gets mad, things start, especially on the basketball court. People point to her in admiration and say, "She can be depended upon."

*Jane Anderson*

### MILDRED ANDREWS

4-H Club (2); Knitting Club (2); Home Economics Club (3); Dancing Club (4); Annual (4); Dramatic Club (1, 2).

Well, when a person's gotten to Mildred's name on the list of Seniors, lots of things leap up in his mind. There are so many nice things one can say about Mildred that I think we will have to stick to generalities. She's frank without a doubt, and willing, and ready to speak her mind about something she doesn't agree with. She's an earnest, hard worker, ready to do not only school tasks, but things that help other people.

*Mildred Andrews*

### RUTH ELLEN ANDREWS

Glee Club (1, 2, 3, 4); Hi-Y (1, 2, 3, 4, Treasurer 2, 3, 4); Treasurer of the Local Hi-Y Conference (3); Student Council (4, Treasurer 4); Dancing Club (4, Co-Chairman 4); Proconian (4); Annual (4).

Ruth Ellen, known to her many friends as "Rufus," holds one of the most important of school offices, that of treasurer of the student council. A smartly dressed and nice looking brunette miss, Ruth Ellen prefers a certain college boy to any of the high school lads, much to their disappointment.

*"Rufus" Andrews*

### CORA ATKINSON

Dramatics (1, 2, 3); Home Economics Club (3); Dancing Club (3); Proconian (3, 4); Annual (4); Girls' 4-H Club (1).

Who can think of the Senior class without thinking of Cora's slim dainty self? In spite of her quietness, there are people who will always remember Cora for her quiet efficiency and business ability. A few years from now some business man will find himself lucky with a secretary like her. She will probably go farther than that. An excellent secretary is only a conservative estimate of what she will be.

*Cora Atkinson*

### DAPHNE ATHAS

Gloucester High School, Gloucester, Massachusetts (1, 2), Hi-Y (4); Dramatic Club (3, 4), Forum Club (3), Student Council Program Committee (4), Proconian (4), Scroll (4, Editor 4), Annual (4); Glee Club (4), Junior Kiwanian (4).

She's such a good sport, so willing to work, and so capable in everything she undertakes that we can even forgive her for boasting so much about Massachusetts. In fact, if there are more like her where she comes from, it might not be such a bad place after all. We don't know what we'd do without Daphne to oil the wheels of argumentation.

*Daphne Athas.*

### FRANCES BASON

Hi-Y (1, 2, 3, 4, Secretary 2), Basketball (1, 2, 3, 4); Tennis (2), Dramatic Club (1, 2, 3, 4, Secretary 2), Proconian (2, 3, 4, Production Manager 3, Business Manager 4); Scroll (4, Editor 4); Annual (3, 4, Editor 4), Handbook (3, Editor 3); Cheerleader (3), Co-Editor of the Durham Morning Herald column (4), Forum Club (2), Chairman of the Student Council Publicity Committee (4), Glee Club (3, 4, Manager 4), Junior Kiwanian (4).

Whenever there is a brawl in The Proconian office, you don't even need to look to make sure Bason's in the midst of it—The Proconian office is her habitual hangout. She loves to try to get away with murder and she sometimes does.

### EVA DORIS BLACKWOOD

Library Club (2), Library Staff (3, 4), Dance Club.

She says she is going to be a nurse, and we can see only one thing that would stop her—a man—for Eva Doris knows that the way to a man's heart is through his stomach, and we are sure that her domestic talent will not go in vain for long.

*Eva Doris Blackwood.*

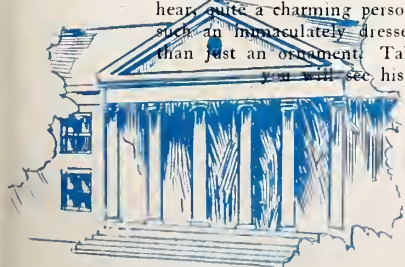

### FRANK BLOCKSIDGE

Hi-Y (2, 3, 4), Secretary of the Student Council (4), Airplane Club (1), Handicraft Club (2), Radio Club (4); Proconian (2, 3, 4, Production Manager 3, Associate Editor 4), Tennis Team (3, 4).

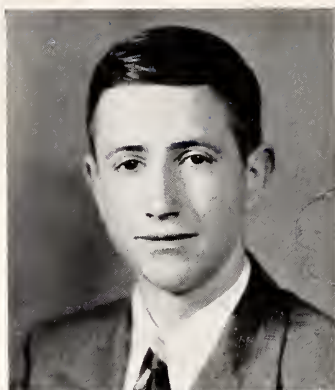

"Blossie" or "Blomberg" as he is more popularly known, is, we hear, quite a charming person. And what a pleasure it is to have such an immaculately dressed boy in the class. But he is more than just an ornament. Take a look at the PROCONIAN and you will see his hardworking trademark.

*Frank Blocksidge*

### ROBERT BRANDON

4-H Club (2); Science Club (1); Debating Club (1); Handicraft Club (3); Basketball (1).

We don't know exactly what to say about Robert. He's a little bit of mischief with an unmistakable gleam in his eye who seems always to get away with "murder" in class, and then when you aren't expecting it suddenly pops up with the right answer.

*Robert Brandon*

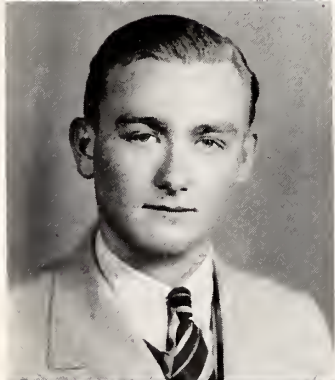

### ALLIENE HUNTER BRAWLEY

Dramatic Club (4); Glee Club (4); Hi-Y (4); Annual (4); Cheerleader (4); Gastonia High School (1, 2, 3);

We'll always remember how good-natured Alliene was and wonder what would have happened if she'd come to school without her grin. She came to Chapel Hill in her Senior year and became such a success that no party was ever complete without her.

*Billy, you're a  
"fair" boy.  
very nice. Alliene Brawley*

### JULIAN BRAXTON

Baseball (3).

Julian doesn't do spectacular things in scholastics or sports, but, my, when you turn him loose with a monkey-wrench and a car to tinker with, he really goes places and does things. We're willing to bet he's the best mechanic in the Senior class. Given the frame of a model T Ford, some tools, and materials, he'll turn out a car equal to a Lincoln Zephyr.

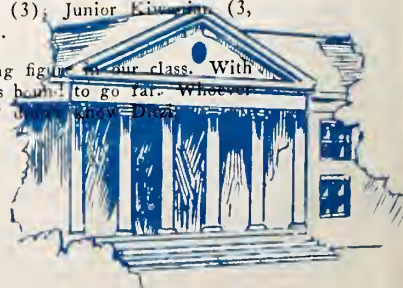

*Julian Braxton*

### MIRIAM ELIZABETH BUICE

Hi-Y (1, Vice-President 2, 3, 4); Dramatic Club (1, 2, 3, Secretary 4); Proconian (1, 2, Managing Editor 3, Editor 4); Annual (3, Business Manager 4); Co-editor of the Durham Morning Herald column (4); Cheerleader (2, 3, Head Cheerleader 4); Basketball (1, 2, Captain 3, 4); Tennis (2, 3); Debating Club (4); Glee Club (1, 3); Program Committee (3); Publicity Committee (4); Forum (3); Junior Kiwanis (3, 4); Scroll (Business Manager 4).

Ditzi has always been an outstanding figure in our class. With her beauty, brains, and ability, she is bound to go far. Whoever said, "beautiful, but dumb," was wrong.

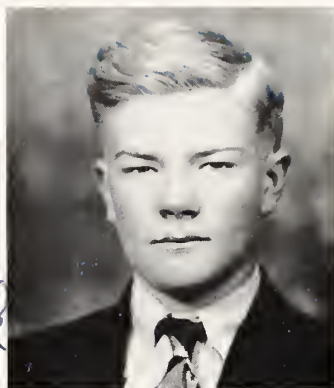

### EVERETT CHEEK

4-H Club (2) Secretary; Student Council (2, 4, Soph. Class representative 2, Vice-President 4); Radio Club (4), President.

A quiet boy with a brilliant mind undoubtedly the most studious of us. Everette can always be depended upon to answer a question no one else can.

*Everett Cheek*

### CAROL COBB

Girls Hi-Y (1, 2, 3, 4, President 2); Bird Club (2); Science Club (4); Junior Marshall; Dramatic Club (4); Student Council Representative (2); On committee for drawing up Constitution of Student Council (2); Annual Staff (4); Proconian (Production Manager 4); Magazine (4).

Carol is one of those quiet, hard workers who really gets things done and doesn't expect any credit. Her friendliness, good nature, and sweet smile have made her one of the best-liked girls at school.

*Carol Cobb*

### BYNUM CRABTREE

Baseball; 4-H Club; Dancing.

Bynum's just so big and good-natured that no matter what you say about him, to him, or around him, it never seems to ruffle his temper or disturb his even keel. Bynum is one of the people who keeps the Senior class from over doing itself with exuberance.

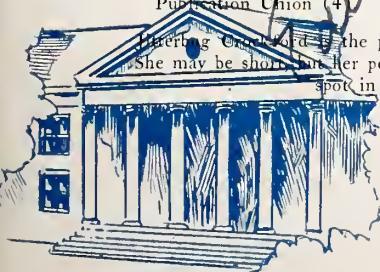

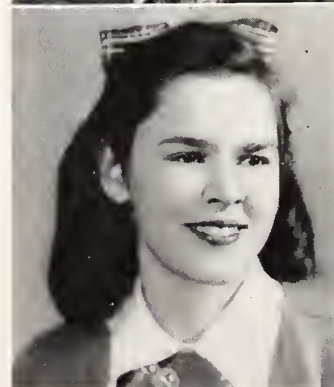

*Bynum Crabtree*

### EDITH LOUISE CROCKFORD

Hi-Y (3, 4); Library Club (1, 2); Manager of Tennis Team (2); Proconian (2, 3, 4, Managing Editor 4); Cheerleader (3, 4); Forum Club (3); Annual (4); Student Council (4); Representative to State Student Council Congress (4); Dramatics (1, 2, 3, 4); Chairman of Program Committee (4); Scroll (4); Publication Union (4).

Edith Louise Crockford is the petite powerhouse of the senior class. She may be short, but her pep and intelligence make her a bright spot in the senior class.

## ORA DIXON

4-H (2).

Among the many things we could say about Ora is that she is the most sweet tempered person we've known in a long time. In addition, she can certainly be counted upon to help a person when he or she is in trouble. They say, "A friend in need is a friend indeed." If that's so Ora is a friend indeed.

*Ora Dixon*

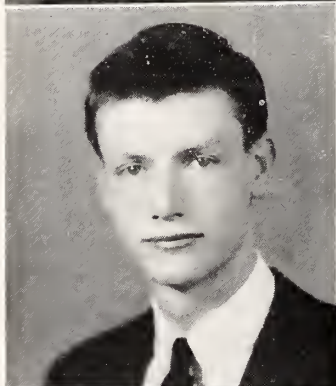

## POLLY DURHAM

Dramatic Club (1, 2, 4); Hi-Y (1, 2, 3, 4); Tennis (2, 3, 4); Vice-President Junior Class; Basketball (3, 4); Junior Marshall (3); Annual Staff (4).

A mischievous sprite could not lurk more obviously about the nooks and crannies of CHHS than does Polly—She's the kind that makes the teacher earn his pay, but we can't escape that frank, carefree way she has about her.

*Polly Durham*

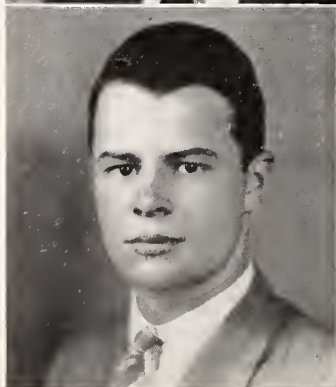

## JOE EDNEY

Hendersonville (1, 2); Dramatic Club (3, 4); Preconian (4); Hi-Y (3, Vice-President 4); Student Council (4); Secretary and Treasurer Junior Class; Chief Junior Marshal (3).

Joe may be quiet but if you'll notice, he is in on everything at school. When we were working on our night club and our Jr.-Sr., he was always Joseph-on-the-spot.

*Joe Edney*

## WRIGHT ELLINGTON

Basketball (4); Football (4); Baseball (3, 4); Sports Club (3); Art Club (3).

Long Lanky "Doc" is our shining star in football and basketball. Of course he just sorta "bogs up" in English IV, but after all he's not the only one.

*Wright Ellington*

### BARBARA EPPS

Dancing Club (4); Hi-Y (3, 4).

When our class stew gets served, and they put in the onions, and salt, and things, they will sniff and say, "We've left something very important out." We'll hurry up and pop Barbara in, for what would a stew be without *Red Pepper*?

*Barbara Epps*

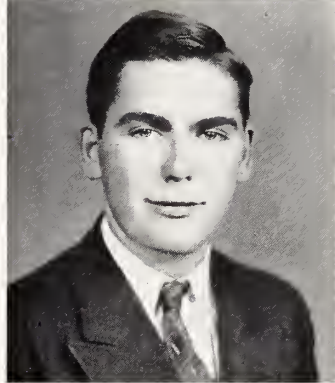

### THOMAS FREELAND

Football (2, 3, 4); Baseball (2, 3, 4); Dramatics (2, 3, 4); Sports Club (1, 2); 4-H Club (3); Proconian (2, 3, 4); Scroll (4); Annual (4); Art Club (2); Basketball (2).

Batters, watch out! When Thomas winds up and pitches the ball, he means business. He is stout and good natured in spite of his many protests against "crooked politicians" in C. H. H. S.

*Thomas Freeland*

### DAPHNE GARRETT

Dramatic Club (4); Dancing Club (4); Glee Club (4).

Daphne is what we would call dogmatic. When she makes a decision she always sticks to it through Dr. Farrar or high water. But she is also one of the "smiley" girls, never seeming to be ruffled.

*Daphne Garrett*

### VIRGINIA GILMORE ANDREWS

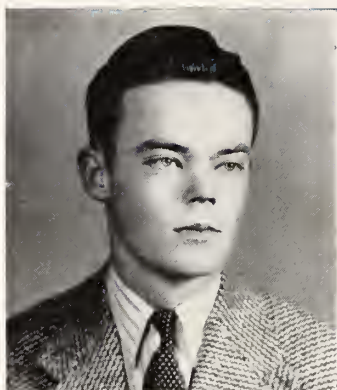

Hi-Y (2, 3, 4); Glee Club (2, 4); Dramatic Club (2, 4); Knitting Club (2).

Although Virginia got her husband before her diploma, she stuck with it all the end. Her good grades in Home Ec will probably help her to "Live Happily Ever After."

*Virginia Andrews*

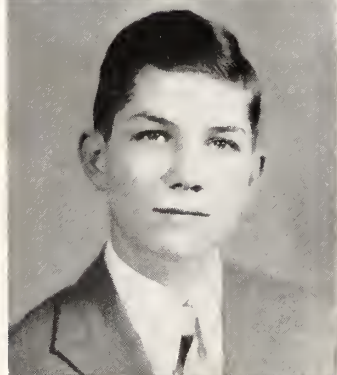

CHARLES E. GOOCH, JR.

President Senior Class; Dramatic Club (4); Hi-Y (4); Store Manager (4); Junior Kiwanian (4); Proconian (4); Annual Staff (4); Manager of Junior-Senior (3).

Charlie is always ready for a good laugh or a good time, but you can count on him to do a capable job of anything he's expected to do.

*Charles E. Gooch Jr.*

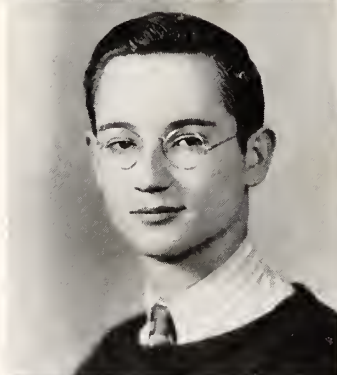

TED GREENE

Band (1); Baseball (3); Sports Club (2, 3); Glee Club (2, 3, 4); Dancing Club (4); 4-H Club (1).

A good class is incomplete unless it contains someone who can cause the teacher a little worry and still add enjoyment to the class—Ted's specialty.

*Taylor Milton Greene Jr.*

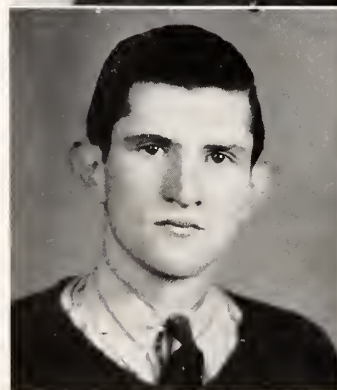

ASHWELL HARWARD

Football (2, 3, 4); Baseball (2, 3); Boxing (2); 4-H Club (1, 2, 3, 4, President, Vice-President, Secretary); Dancing Club (4); Sports Club (4).

"Now you take the other man's viewpoint —," that's Ashwell speaking out. He is very argumentative. In fact, his arguing powers will probably lead him to a career in law. He is unusually broad-minded and always willing to hear the other man's story.

*Ashwell B. Harward*

JAMES HEARNE

Baseball (4, Manager); Sports Club (4, President); Radio Club (4, Vice-President).

Jimmy is an all-around fellow with all the boys. He's not the pestering type which girls appreciate. He's rather reserved and one doesn't hear from him.

*James Hearne*

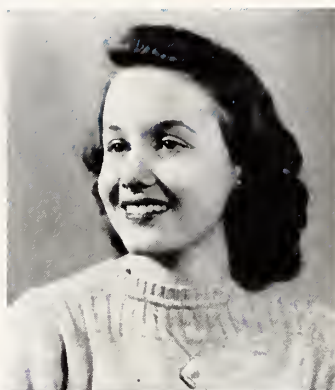

## JEWELL MOORE HOGAN

Glee Club (1, 2, 3, 4); Hi-Y (1, 2, 3, 4); Library Club (1, 2); Dramatic Club (3, 4); Publication Union (4); Annual (4).

Jewell is always in demand, for when her fingers start running up and down the keyboard, you hear that "makes you want to dance" music. She is slim, dark, and pretty. What more could one ask?

*Jewell Hogan*

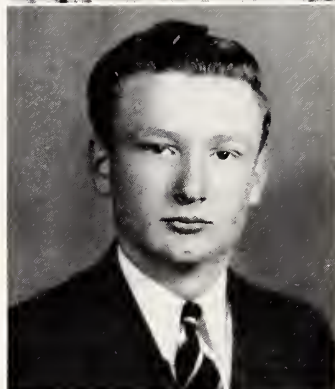

## MARVIN HOGAN

President of Home Room (1); Library Club (2, 4); Library Staff (2); Student Council (3); President of Student Body (4).

Marvin wants to be a lawyer, and we predict that he will make a good one. With his ability to talk and make people believe that "black is white," he should get to the top.

*Marvin Hogan*

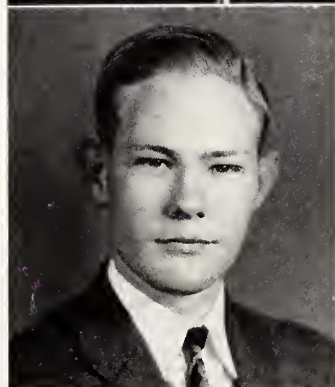

## DICK HOBBS

Football (1, 2, 4); Baseball (4); Airplane Club (1); Dramatic Club (4); Hi-Y (1, 2, 4).

Dick is such an unusual combination of a good athlete and a smooth dancer that he can almost have his pick of the Senior girls. In spite of his frequent fights with everyone, he is really very easy to get along with.

*Dick Hobbs*

## MARY-LOUISE HUSE

Tennis (3); Basketball (2, 3, 4); Glee Club (1, 2, 4); Hi-Y (1, 3, 4); Dramatic Club (2, 3, 4); President (4); Proconian (2, 3, 4); Scroll (4); Hillife (4); Cheerleader (4).

It would be hard to convince most people that Huse believes that "silence is golden." The night clubs and vaudeville were hits mainly because of Mary-Louise's originality and talent for just such things; and no one could forget her as Terry in the Senior Class Play.

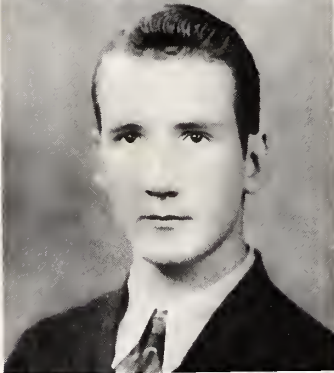

### MILDRED HUTCHINS

4-H Club (2).

Mildred's the quiet type, but that doesn't mean she doesn't do anything. Because she works so hard we feel sure that she'll make good at almost anything. We know how honest and industrious she is. These qualities are the ones that make a person go far in this world.

*Mildred Hutchins*

### J. T. JOHNSON, JR.

Radio (1), Library (2), Sports Club (4).

J. T. is the Senior class's most ardent athlete. When Coach issues the call for football boys, he's the one who gets there first. He was one of the boys on the baseball team that helped to make it good. There are few to deny that J. T.'s sporting powers have made the school well known.

*J. T. Johnson Jr*

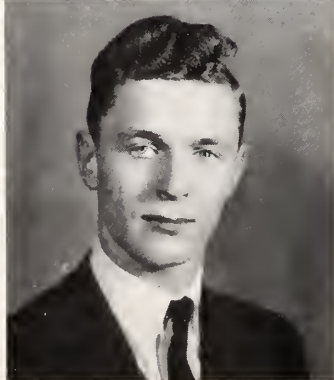

### VERA LACOB

Hugh Morson H. S. (1, 2, 3), Dramatic Club; Morson Literary Society (1, 2, 3); Girls' Reserves (1, 2), Purple and Gold; Dramatics (4), Proconian (4).

Vera is a transfer from Raleigh and we know that their loss is our gain. She has helped in the office and is very reliable.

*Vera Lacob*

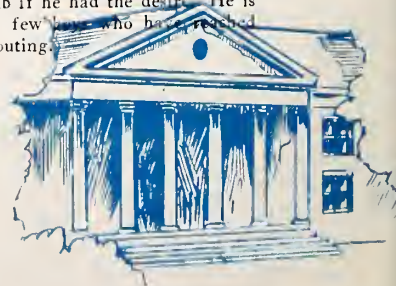

### JOE BURT LINKER

Hi-Y (1, 2, 3, 4, Treasurer 2, 4); Band (2, 3, 4, President 2, Manager 3); Senior Dramatic Club (4); Junior Marshal (3); Bird Club (2); Junior Kiwanian; Annual Staff (4).

Joe Burt, that pneumonia victim, is our best salesman. We believe he could even sell a bald man a comb if he had the desire. He is still a Boy Scout and is one of the few who have reached the top in Scouting.

*Joe Burt Linker*

### GAYNOR MAY

Art Club (2), Proconian (3); Choir (3, 4), Dance Club (4); Scroll (4), Art Club (4).

Someone said "Genius is the capacity for taking infinite pains," and we might say just that about our classmate Gaynor. No matter where she is, she is usually sketching, whether it is something for the cover of the Scroll or a state contest.

*Gaynor May*

### LILA MAE LASLEY

Glee Club (1), Reading Club (1), 4-H Club (1), Library Staff (2), Home Room representative to Student Council (3), Home Economics Club (3); Dancing Club (4); Hillife (4).

Lila Mae is very quiet and takes advantage of "book-learning." She has a number of friends and has participated in the Student Council.

*Lila Mae Lasley*

### HORACE McCAULEY

Sports Club (2), Hi-Y Club (2, 3, 4); Glee Club (1, 2, 3, 4); Dramatics (1), Art Club (1), Handicraft (2); Dancing Club (4).

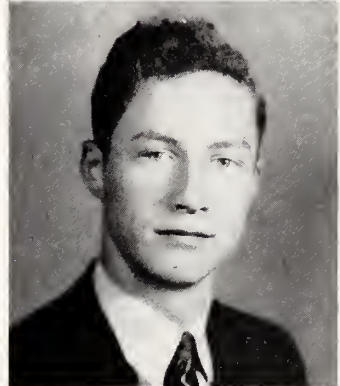

Horace has really "buckled down" this year after being a part of the "life of old C. H. H. S." His imitations with Edwin are really good and he was a runner-up for class-baby.

*Horace M. Cauley*

### JOSEPHINE McCAULEY

Hi-Y (3,4); 4-H Club; Vice-President Senior Home Room, Secretary of Senior Class, Dramatic Club (3,4). Kiwanian (3, 4).

Josey is one of those lucky girls who is going to rest a year before continuing that laborious task of educating herself in New Jersey. She is already determined to become a secretary and her security and aptness leave us with no doubts about her success.

### HELEN MCGIRT

Hi-Y (2, 3); Basketball (1, 2, 3); Library Club (1, 2, Vice-President 2); Dancing Club (4); Knitting Club (2).

Helen is another ardent "basketballer" and has been all through high school. Most of Helen's more intimate friends graduated last year but she has found others to take their place.

*Helen McGirt*

### JANIE LEE NEVILLE

Dramatic Club (1); Girls 4-H Club (2); Home Economics Club (3); Dancing Club (4); Annual (4); Vice-President Freshman Home Room.

Janie is one of those outstanding brunettes who has a winning smile for everyone. She's humorous and has a radiant personality. There is reason for her being runner-up for class beauty.

### VIRGINIA RANDOLPH PELL

Troy High School (1, 2); Hi-Y Club (2, 3, 4); Basketball Team (1, 2, 3, 4); Magazine (4); Annual (4); Glee Club (1, 2, 3); Dramatics (2, 3, 4); Proconian (3).

Virginia is quite an athletic young lady, and the girls' basketball team would be at quite a loss without her. Another of her interests is dramatics, and they say she likes to sing in the Methodist choir, too.

### MARGARET PICKARD

Hi-Y (1, 2, Head of Board 3, 4); Manager Girls' Basketball Team (2, 3, 4); Vice President Senior Class; Proconian (2, 3, 4); Girls' Athletic Council (3); Annual (4); Dramatics (1, 3).

Oh! It's Maggie here, and Maggie there, and Maggie everywhere. No matter where she is or what she's doing, there is someone who is always needing Maggie. And why not? She's the official Sunshine of the Senior class.

*Margaret Pickard*

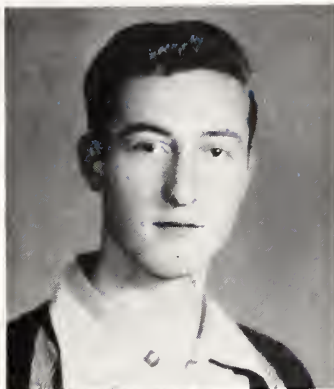

## W. P. PICKETT, JR.

Football (3, 4); Baseball (3, 4); Sports Club (2).

W. P. is our outstanding athlete. In football and basketball he is tops, not only in ability to play the games, but in sportsmanship.

*W. P. Pickett, Jr.*

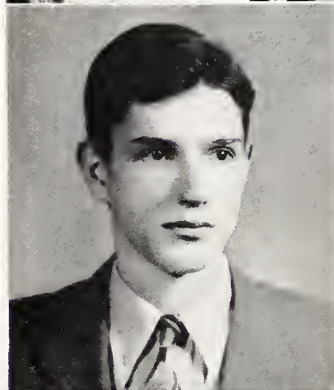

## CARL PRIDGEN

Hi-Y (1, 2, Secretary 3, 4); Band (2, 3, 4); Sports Club (2); Choir (1, 2); Dancing Club (4).

Carl, who, it is rumored, has a very convenient habit of making out his own report card, has one of the most continual smiles in the school. He's got lots of life in him, and he always has an answer ready even if it isn't the right one.

*Carl Pridgen*

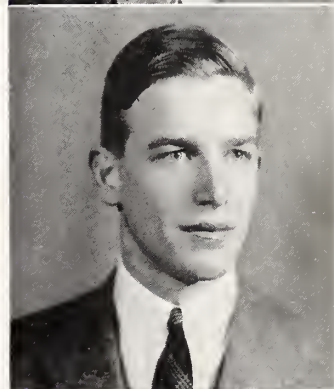

## THOMAS PRITCHARD

Hi-Y Club (1, 2, 3, 4); Dramatic Club (4); Football (4); Handicraft (2); Airplane Club (1); Annual Staff (4).

"Smiling Thomas" is a pal to everyone. Being a practical joker is his specialty. Thomas is a lot of fun but he hasn't paid enough attention to the girls.

*Thomas Pritchard*

## MELBA LOUISE RAY

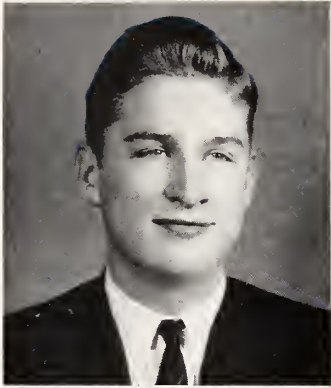

Hi-Y (1, 2, 3, 4); Dramatic Club (2, 4); Glee Club (1, 2, 3, 4, Secretary 4); Home Economics Club (Treasurer 3); Knitting Club (2); Physical Education (1).

Melba is the prettiest girl in our class. With her dark hair, fair skin and blue eyes, who would dare object? She has a sweet voice and has been continually heard using what is popularly known as "baby talk." Melba gets along with teachers as well as students.

*Melba Ray*

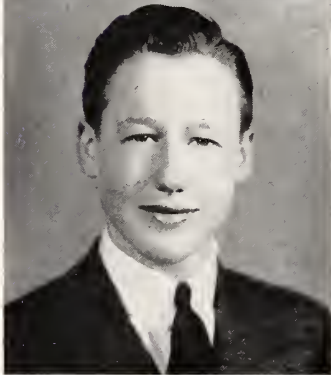

### EDWIN BYRD RIGGSBEE

Glee Club (1, 2, 3, 4); Hi-Y Club (2, 3, 4); Sports Club (1, 2);  
Dramatic Club (1, 2); Dancing Club (4); Basketball (3);  
Handicraft (2); Annual Staff (4); Library Club (1).

If you thought you heard Donald Duck himself at school the other day, you were mistaken—it was Edwin! Funny imitations are quite a hobby of his. And we musn't forget to mention his good performance as the policeman in the senior play.

*Edwin Riggsbee*

### FRANK ROSS

New Hanover High School (1, 2); Latin Club (1, 2); Reserve  
Officers Training Corps (2); Chapel Hill High School (3, 4);  
Senior Boys' Hi-Y (3, 4).

For a long time we've babied Frank; but now that he's reached graduation status, he's grown up. Frank is an unusual combination of mischief and hard work. He is the one person who can make the Senior class laugh when final exam grades go out.

*Frank Ross*

### EDWARD SCHLESSINGER

Abbeville High (1, 2, 3); Dramatics (4); Hi-Y (4).

Louisiana's loss is our gain where Ed is concerned. Not many people know Ed well, but those who do, know that underneath that quiet exterior is a keen sense of humor and a flare for imitations.

*Ed Schlessinger*

### JOE SLOAN

Dramatics (4); Hi-Y (4).

In spite of the fact that Joe's father is chief of police (which fact serves to get many Seniors out of trouble) he isn't at all inclined to be a slow-Joe. No, indeed, Joe is a regular old around fellow with plenty of fun and life inside of him.

### HILDA MARGARETTE SMITH

President Freshman Home Room (1); Physical Education (2);  
4-H Club (1, 2); Art Club (1); Home Economics Club (3, 4);  
Hillife (4).

There are many people who think Hilda a very pretty girl with her lovely mahogany hair. She'd be an ornament to any class. Anyone would be proud to know a girl endowed with beauty, brains, and such sportsmanship. We've never known Hilda to shirk from any sort of disagreeable duty. She has certainly worked hard to get this Annual out on time which is a very tough job.

*Hilda Smith*

### NANCY JEAN SMITH

Hi-Y (2, 3, 4); Library Club (2); Dramatic Club (4); Pro-  
conian (4); Scroll (4); First Prize Poetry Contest (3).

Nancy may be small, but we expect big things from her. With her unusual talent for writing and her perseverance, she ought to go far. She will be missed next year as her stories were quite an addition to the "Scroll."

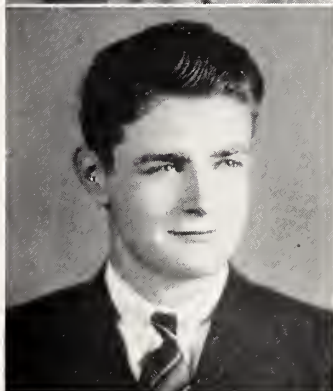

### CARL BRAXTON SPARROW, JR.

Dramatic Club; 4-H Club; Library Staff.

When a boy is good looking, he usually lets the world know about it. Not so with Braxton. He quietly "hitches his horse" to a certain young lady's gate, whenever he can, and lets the world go blissfully by.

*Carl Braxton Sparrow, Jr.*

### BERTIE ERA SPARROW

Knitting Club (3); Home Economics Club (3, 4).

Orchids to Era for being just the girl she is. We wouldn't want her to be any different from her own sweet and quiet self. When you tell Era to do something, she'll come up with the best piece of work ever. That's what we like about her.

*Bertie Era Sparrow*

PAUL BRYANT SPARROW, JR.

Sports Club (2), Football (4), Basketball (2, 3), Baseball (3, 4).

You don't hear from Paul very often but he always has his opinions. Also, Paul was on the football team, but you just have to use your eyes. Maybe it's just that he's a one-girl boy.

*Paul B. Sparrow*

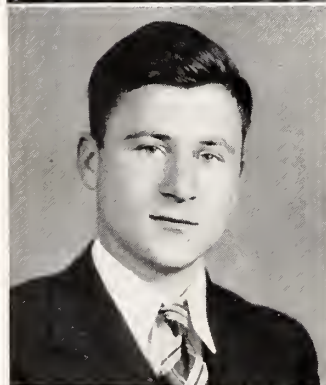

ZANA FLORENCE STUDEBAKER

Efland High School (1, 2), Glee Club (3, 4), Dancing Club (4).

Zana has many friends for she's a good listener. She has taken part in the music here at school and has done it harmoniously at that.

*Zana Studebaker*

GARNELL SUITT

Sports Club, Library Club.

Garnell is really a good-natured boy who isn't always trying to make a show of himself. Though he stays with his own friends most of the time, we would miss him if he weren't with us.

*Garnell Suitt*

VERNA SUITT

Bookkeeper-Treasurer of C. H. H. S. Activity Union (4), Art Club (1); Vice-President of Stamp Club (2); 4-H Club (2); Home-Ec Club (3, 4); Publicity Chairman (3, 4); Proconian Staff (3, 4); Annual Staff (4); Class Historian (4); Junior Kiwanian (4).

Verna has made a bigger place for herself this year with being bookkeeper and treasurer for the Student Activities Union. She has worked hard and shown her ability in writing the class history.

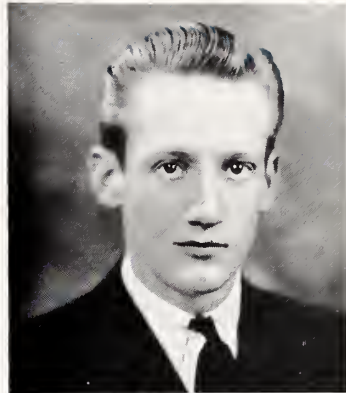

## HARRY THOMAS

Myrtle Beach High School (1); Proconian (4); Hi-Y Club (4),  
Dramatic Club (4); Airplane Club.

Harry is quiet and well-dressed, and anyone can tell you that he rates well as an actor and make-up man. He likes dramatics and expects to take it up professionally. Good luck, Harry.

*Harry Thomas*

## WILLIAM ELLISON THOMPSON

President Freshman Class; Hi-Y (1, 2, 3, 4, President 2, 4);  
Dramatics (1, 2, 3, 4); Forum Club (3); Band (2, 3, 4);  
Student Council (3); Junior Marshal; Second Prize in Poetry  
Contest; Proconian (1, 2, 3); Annual (4); Scroll (4);  
Handbook (3); Football (3); Tennis (3, 4).

In many cases Bill relies on his looks rather than his ability, however, as Hi-Y President and No. 1 tennis star, he has done a couple of good jobs. The school owes him a note of thanks in getting curtains for the auditorium.

*Bill Thompson*

## LENO THRIFT

Hi-Y (2, 3, 4), Dramatic Club (2); Home Economics Club (3);  
Dancing Club (4); Physical Education Club (1).

Leno may look innocent enough, but she gets away with murder in Home Ec class. Wherever she is or whatever she's doing, she always looks happy; and that means a lot towards being content.

*Leno Thrift*

## MABEL DARE TILLEY

Hi-Y (1, 2, 3, 4, Sergeant-at-Arms 1, Treasurer 4); Glee Club (2).

Mabel Dare always looks as if she had just stepped out of a band-box, bright and neat from top to toe. Though rather quiet in class (except when she gets the giggles) Mabel really "shows her stuff" in Hi-Y. She is one of the most capable treasurers the club has ever had.

### HILDA WEAVER

Hi-Y (1, 2, 3, 4); Dramatics (2, 3, 4, Vice-President 4); Choir (1, 2, 3, 4, Soloist 4, Trio 3, 4); Cheerleader (2, 3, 4); Knitting Club (2); Scroll (4, Managing Editor 4); Proconian (3, 4); Student Council (3); Annual (4, Managing Editor 4).

Hilda has brightened Chapel Hill High School for four years with her dancing and singing. Her mood is contagious, and everyone admires her sweetness and vivacity.

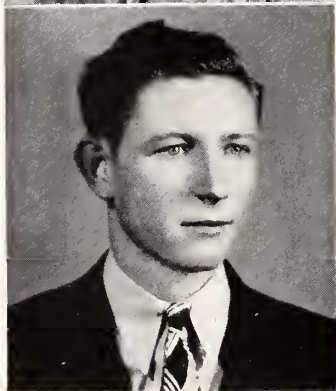

*Hilda Weaver*

### ELEANOR M. WILLIAMS

Hi-Y (2, 3, 4, Vice-President 4); Basketball (3, 4).

"Elviry" is the most frank person in our class, but that's what we like about her. If she's in a good mood you know it, because she can be the happiest person around. The basketball team wouldn't have been complete without her, especially when playing Hillsboro. That team always did make her mad.

### FRED WRIGHT

Sports; Baseball (3, 4); Dramatics (4); 4-H Club (3).

Fred is Carrboro's gift to the ladies, and we can add he must be, because we certainly don't see much of him around here.

### BILLY MORRISON

Football (4); Baseball (3); Basketball (3, 4); Sports Club (2, 3); Handicraft Club (2); Radio Club (4); President Dramatic Club (1); Airplane Club (2, 3).

### BRUCE VARNER

Sports Club (2, 3); Football (1, 2, 3, 4, Co-Captain 4); Baseball (2).

### RICHARD LEWIS

Glee Club (2, 3, 4); Track (2); Football (3); Hi-Y (3); Basketball (4); Dramatic Club (4); Home-room Representative of Student Council (4); Band (4); Bass (voice) Solo (4); Proconian (3, 4); Kiwanian (4).

## Senior History

Chapel Hill High School  
Chapel Hill, N. C.

May 25, 1937

Dear Janet,

My same old excuse, "would have written but just haven't had time," must be used again, but now that I am writing, I want to tell you something about life in C. H. H. S. It hasn't been at all as we used to picture it—going to parties or shows every night, then getting to school the next morning just in time for recess; altho' I'll admit we have been tardy enough to keep Mac informed about the bad health of our alarm clock.

Although proud to be high school students, we were rather disappointed when we were directed to the old school building rather than the new one. It was hard to smile when the upper classmen called us "Freshies."

The other day I met Mr. Giduz on the top step after climbing two flights of stairs. Much to my dismay he told me to go back down. In answer to my questioning look, he informed me that these steps were used for going down, the flight at the end of the building for going up. As soon as I got out of his sight, I ran down the hall and started up the right stairs. As I entered the door for English, I was met by Miss Penny's freezing glare and "Did you not hear the tardy bell?"

To add to the confusion, we were transferred to our new building before we had even learned where our classes were in the old one, thus having more than our share of Freshman headaches. Billy Thompson has been elected President of our class.

Besides this serious business of concentrating on studies, we have been well represented in the Hi-Y, the 4-H Club, and on the Proconian staff, as well as in sports.

June will soon be here and with it exams. If I survive, I'll write you, but now I have to memorize some more of Julius Caesar.

Much love,

ELLEN SMITH

June 4, 1938

Dear Janet,

This year we were greeted by our new Superintendent, Mr. Honeycutt. When asked to what class we belonged, our proud answer was, "We are Sophomores."

Although not allowed to hold offices in the newly organized Student Council, we helped in the campaigning. We were allowed, however, to send a class representative. Ours has been Everett Cheek.

## Senior History—*Continued*

For many of us Dr. Gwynn has become our new instructor in Latin II. Yankee Mr. House tried to teach us the hidden truths about the area of a parallelogram, which few of us could comprehend. Although we haven't had Miss Penny this year, everyone agrees that Mr. Leggette and *As You Like It* have been equally as hard.

The Class of '40 has contributed immensely to the extra curricular activities of the school. Our glee club, under the leadership of Mr. Templeton, made a good showing at the Music Contest in Greensboro. The Hi-Y's have done outstanding work this year, under the leadership of Carol Cobb, President of the Junior Girls' Hi-Y; and Billy Thompson, President of the Junior Boys' Hi-Y.

Mrs. Jensen initiated a new kind of entertainment this year in the form of school parties. The entire school was invited to these socials which proved quite a success.

June has finally come and with it a faint hope that we may soon be Juniors. Someone told me that next year will be the most eventful in our high school career. If anything really interesting happens, I'll write and tell you about it, but for now I'll say good-by.

A friend,  
ELLEN SMITH

June 6, 1939

Dear Janet,

On the opening day of school, Mr. Honeycutt introduced us to the new teachers. They were: Mrs. Maaske, instructor in music; Mr. Ruth, coach; Miss Moseley head of the new home-economics department; and Miss Benton, teacher of commercial subjects.

Many of us were confronted for the first time with French and Mr. Giduz. Miss Penny has come forward again to instruct us in Junior English. With Miss Benton's coaching, many of us have come to believe that it is possible to type on a typewriter that doesn't have any letters on it.

We elected Melba Ray as President of the Junior Class. To Charles Gooch was largely accredited the success of the Junior-Senior dance. This climaxed several night clubs.

All of the Student Council offices were filled by members of our rising Senior class. Marvin Hogan was elected President; Everette Cheek, Vice-President; Ruth Ellen Andrews, Treasurer; and Frank Blocksidge, Secretary.

This year the boys' basketball team reached the semi-finals in the state con-

## Senior History—*Continued*

test. The football team has also made an outstanding record, having won four out of the five games played.

I hate to see this year end, for only one more remains. After being in high school three years, I can hardly imagine what it will be like not to be in school. Rushing to school by 8:30, attending classes until 3:30, with a few club meetings and a little lunch sandwiched in between—all has become such a part of us that we have almost forgotten that anything else exists.

Much love,

ELLEN SMITH

June 2, 1940

Dearest Janet,

Here's a note from a soon-to-be-graduate. Charles Gooch was elected President of the Senior Class by an overwhelming majority. One of the first things to be brought up in our class meetings was the possibility of having an annual. When we finally got permission from Mr. Honeycutt and the board, we elected Frances Bason editor.

This year our literary magazine, *The Scroll*, made its first appearance. Daphne Athas has done a commendable job as editor of this publication. We have the Proconian as usual, but many improvements have been made in it under the editorship of Ditzi Buice.

For class colors we chose blue and silver and carried these out in the color scheme of the Annual.

This year we were carrying on our study of professions under the able leadership of Miss Benton. Then came the tragedy of our high school career. Miss Benton had to leave us for a much needed rest. However, we still have Mr. Conrad and Mrs. Bowden.

The Senior play was really an outstanding success. *Growing Pains* was given under the direction of Mrs. Peery. The leading roles were played by Ashwell Harward, Mary-Louise Huse, and Jane Anderson.

I'll write and tell you more, Janet, when its all over; but right now the members of the class of '40 are slightly confused. After four years in our beloved school, we will hardly know how to do without it; so it is with a heavy heart we say adieu. Soon our experiences here will be only memories, but with us they will dwell as one of the most enjoyable chapters of our life.

Love always,

ELLEN SMITH

## Senior Poem

A few short singing rimes—can they express  
The spirit of this graduating class?  
Who can catch it and chain it between the pages  
Of a book? Who can make this come to pass?

I can't. I have no words to say things  
That should be said about the students  
Going out. No words of mine can tell of  
Their ideals and faith and hope and prudence.

I tried to write a witty, stinging couplet  
Whose meaning cracked like the sound of a rifle-shot;  
But the vacant, clanging words reminded me  
Of a spoon in an empty stew-pot.

Oh, they'll laugh at this poem in later years,  
And the paper it's written on will rot and tear;  
But the spirit that's borne in a song on the spring winds  
Will still be heard when the winter earth is bare.

## Class Prophecy

May 7, 1960

Today I decided to go back to Chapel Hill and look up all my old friends from C. H. H. S. and have a class reunion. As I looked up all my class mates I found that:

The handsome Bill Thompson is in Hollywood still trying to get the role of Rhett Butler playing opposite that famous screen personality Scarlett O'Hara Buice.

Hilda Weaver is now directing a school of physical culture. She is giving courses in "Ways to Gain Weight." Gaynor May and Hilda Smith are her faithful pupils.

Billy Morrison is the newly elected truant officer for C. H. S. He is also the proud father of five daughters, their names are Bebe, Maxine, Leona, Edna, and Dot.

Frances Bason is the new President of the Alcohol Bottlers' Association. She has just defeated that famous temperance leader Frank Ross.

Dick Hobbs tried for many years to build up forests and grow trees, however the only thing he was ever able to grow was a beard. Now he is inventing a "Lipstick Remover."

Lila Mae Lasley, Janie Neville and Cora Atkinson are now radio stars. The trio is singing with Sammy Andrews' famous orchestra.

Thomas Freeland is now the water-boy for the Yankees. He will probably get another promotion in the next ten years.

Marvin Hogan, State District Attorney, is now trying to convict Joe Burt Linker for bootlegging. Joe Burt's lawyer, Bruce Collins, however, is holding his own.

Carol Cobb is a horse-doctor in Tennessee. Dan Hamilton is being treated in her hospital for old age.

Two-gun Gooch and four-gun Sloan are reorganizing their mob in Durham. Two of their stooges are Doc Ellington and Bruce Varner.

Everett Cheek is a professor at U. N. C. He has started a course in hypnotism. His only pupil, Verna Suitt, is doing nicely, he says.

Jane Anderson, Alliene Brawley, Polly Durham, and Margaret Pickard are still trying to pass Home-Ec. They expect to graduate in June.

Daphne Athas is making quite a name for herself in Literary Circles. Her latest story in "True Confessions" made a big hit.

Jewell Hogan is the cigarette girl at Edwin Riggsbee's and Horace McCauley's Nite Club in New York.

Frank Blocksidge has a Ladies' Fashion Salon on Fifth Ave. His models are Melba Ray, Leno Thrift and Eleanor Williams.

This is all that I was able to find out because they are taking me back to Dix Hill now. My cell mate, Mildred Andrews is getting lonesome for me, Auf wiedersehen as my friend Hitler would say it.

MARY-LOUISE HUSE,

## Last Will and Testament

We, the graduating class of Chapel Hill High School, about to enter upon the threshold of manhood and womanhood, wish to will and bequeath the following items—

Item I. To the faculty—After four years of torment by our lovely class, we will you thanks for your efforts and bequeath the peace we have long kept from you.

Item II. To Mr. Ross we will a new joke book with which he can continue his orations.

Item III. To Mr. Parkhurst we bequeath our best wishes and gratitude and our hope that none of the broncoes will kick him.

Item IV. Margaret Pickard wills Mr. Peacock to the rising classes hoping that he will be as well treated by them as he has been by the senior girls.

Item V. Charlie leaves his friendliness to someone who can take over his executive duties and do as well as he has done.

Item VI. To Mary Jane Lloyd is bequeathed Jane Anderson's prowess and magnificent attitude toward boys.

Item VII. Billy Thompson leaves his handsomeness and brains to Jim McMullan with which to catch the girls' eyes.

Item VIII. Jean Hogan is ceremoniously presented Edith Crockford's flirting ability and is quite capable of carrying on where Edith left off.

Item IX. Ditzie bequeathes her flawless beauty and "come hither" look to M. C. McDonald with hopes!

Item X. Mabel Tilley's neatness is quite naturally willed to Caroline House to continue the cleanliness part of the class.

Item XI. In order to give Byrd Green a little more energy, Eleanor Williams and I will all of our freckles to her with our deepest sympathy.

Item XII. Lila Mae Lasley wants to will her quiet manner to Jo Beck so that she can be a real good girl.

Item XIII. Billy Morrison leaves his saintly ways to Henri Huse to keep him out of trouble (?)

Item XIV. Joe Burt Linker won't leave Alliene for anyone but he wills his good humor to Dr. Farrar.

Item XV. Frank Ross wills his babyishness to Joyce Hinson to use in the best way she knows.

Item XVI. Mary-Louise's originality is bequeathed to Judith Clark.

Item XVII. Hilda Weaver's dancing ability goes to Taylor Hogan to take a few pounds off.

Item XVIII. Carol Cobb leaves her winning personality and sweet disposition to Margaret Hagood who has dire need of both.

Another football season ended for Chapel Hill High, and although we haven't had such a good season this year, we have had good guidance from a swell coach who worked as hard as any players on the team. The boys know "Coach" now and such members of the squad as Ed Canada, Coy Durham,

Tiny Taylor, Douglas Eubanks, Homer Lloyd, Larry Fore, "Doc" Ellington, and Robert Blackwood in that stalwart line, and Bruce Collins, Roger Williams, Dick Hobbs, in the backfield will show a very critical student body that their poorly equipped team can compete with anybody next year when cooperation will be emphasized.

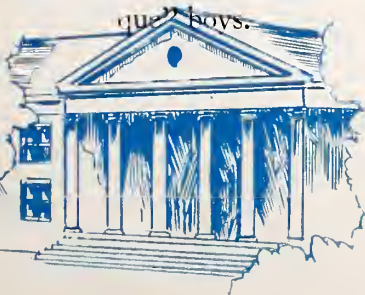

We started our season in the best possible condition, and tied a much-favored Hanes high school team 6-6 here, Durham and Collins working together pushed the ball over for the tally. We worked hard the following week in preparation for a game which we wanted to win very much . . . the one with Hillsboro. Friday came, and we went home with a 7-0 defeat on account of two forward passes which made our backfield look sick. Coach was a bit perturbed at this; so he changed our backfield defense in preparation for Jiber, Catholic Orphanage's star passer, who was to come to the front the next week. In this game, we checked our defense, but our backs couldn't seem to make any real gain. This was our second tie game, which seemed to turn students away from the team. However, on the following Friday, we showed them we could win, and beat Smithfield 19-0. Two particularly unusual scoring methods were used by our team; two being on blocked kicks, with Eubanks and Freeland, respectively, picking up the ball and marching into pay-dirt. The fact that the team was hindered by the absence of Durham and Harward, who sustained injuries in the Catholic Orphanage game, did not seem to daunt the spirit and victory was the result. Mr. Peacock formerly coached at Smithfield. Now we are his lucky proteges.

On October 30, C. H. H. S. celebrated its homecoming by closing school early and by celebrating the game at Emerson field, where we watched a slow game, in which a superior local team was held to a 0-0 tie by a scrappy Bethel Hill squad.

A week later, we went to Raleigh to meet the second team in that city, Methodist Orphanage, in a night game. We were expecting to walk away with our second victory that night, but we were surprised to find ourselves trailing 6-12 when the final whistle blew. The Methodist team was light, but fast, and literally ran circles around us on a well-executed series of end plays. The final game, another one under lights, was played in Winston-Salem, where we met another strong opponent, South High. The game turned out to be a defeat for us to the tune of 6-0, yet the team went down fighting.

I should like to commend a few of our boys for their splendid work and sportsmanship on the field. First are two of our most outstanding players, W. P. Pickett and Ed Canada, playing in the backfield and line, respectively. W. P.'s running which often resembled that of the famed Johnny Branch of Carolina, has given our opponents headaches, and made many gains through his side of the line. Of course, none of our plays could have been successful without the cooperation of our line and backfield men. All in all, we had a swell season and we are indebted to a wonderful coach and a bunch of "uni-

que boys.

## Boys Basketball

When Coach Peacock came from Smithfield to C. H. H. S., he found a squad of willing, but inexperienced boys out for basketball. The eight-man squad of last year having graduated, Coach had to make the best of it. The team was small, but full of fight. That is what really matters in the way of sports. Bad weather took a turn for the worse and many contests were postponed. The next year's squad, however, will have all letter men back and, we hope, the same Coach. The letter men were: Forwards: Hooker, Jennings; and Guards: Pullen, Andrews, Keller. The three leading scorers were: Jennings, with 36 points; Hooker, with 30 points; and Pullen, with 21 points.

## Other Athletics

### CHAPEL HILL ENDS BASEBALL SEASON WITH WIN

Chapel Hill ended its regular baseball season whipping Eli Whitney 6-4 before a small crowd of spectators. Stars for the season include Coy Durham, Thomas Freeland, Jack Lloyd, and Lawrence Fore.

Chapel Hill has six wins, three losses and one tie this year. They trounced Hillsboro once, Helena twice, and defeated Eli Whitney. Members of this year's team who are hoping to finish are as follows: W. P. Pickett, J. T. Johnson, Paul Sparrow, Thomas Freeland, Dick Hobbs and Doc Ellington.

The boys think they have had a fair and busy season. They expressed their thanks to Coach Peacock for his fine coaching and help in developing the team. The seniors wish the boys next year all the luck in the world.

### TENNIS

The tennis team fared badly this year, winning only 2 games out of the 6 they played. The first game of the season, against Raleigh High, was one of the most disappointing of the series, the final score being 7 to 1 in favor of the opposing team. The next game, with Elon, was a little more encouraging, for the home team won 5 to 2. The second try at victory against Elon was a different story, though. Elon won 5 to 4. The C.H.H.S. boys came back with flying colors from Southern Pines, soon after, with a score of 4 to 5 in their favor. The last two games of the season, against Raleigh and Southern Pines, found the Home Team unprepared and they were defeated by the two teams with 8 to 0, and 7 to 1, the final scores.

The following students received letters:

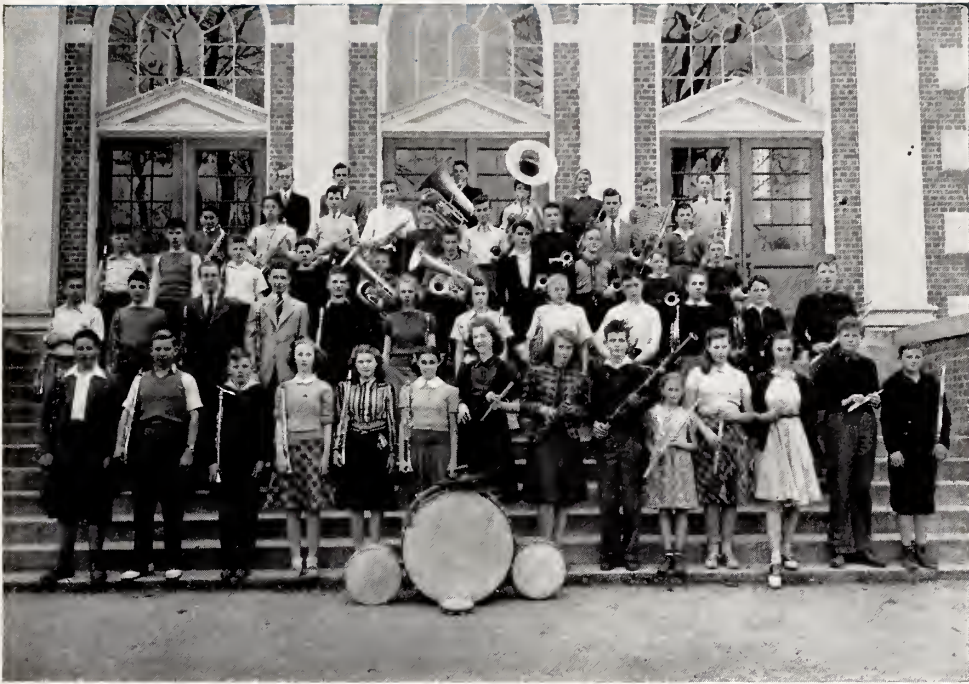

FOOTBALL: Eubanks, Blackwood, Fore, Durham, Harward, Canada, Freeland, Lloyd, Hobbs, Collins, Pickett, Lasley, and Johnson.

BASEBALL: Pickett, Sparrow, Lloyd, Johnson, Hobby, Durham, Ellington, Perry, Womble, Eubanks, Collins, Lloyd, and Freeland.

BASKETBALL (*boys*): Jennings, Hooker, Pullen, Andrews, and Keller.

BASKETBALL (*girls*): Anderson, Bason, Pell, Durham, Lloyd, Baldwin, Williams, Huse, and Buice.

GLEE CLUBS

## Glee Club

After such a successful year last year, members for the choir were not hard to find. Taylor Hogan was the best worker, for his ideas aided a great deal in making money from the school store for trips. Among the various programs were several chapel entertainments, a couple of Sundays at the Presbyterian Church, a selection of songs for the Parent-Teacher Meetings and a silver offering program which helped us in getting to Greensboro. Christmas we repeated the Community Carol Service of the previous year, and it was very beautiful, with the singers in their blue robes carrying lighted candles. Immediately after Christmas vacation we commenced work on the Orange County Music Festival at which we broadcast. Then the biggest event of the year came, and the choir worked night and day on the songs for competition in the state music contest. Because of the choir's good rating of last year we did not have to compete in the district contest in Durham. The real honor came when the choir tied nearby A class schools with the rating of II. The girls' Glee Club came through with a III. After such accomplishments they prepared programs for other schools.

The *Proconian* originated in 1930 under the sponsorship and direction of Dr. A. K. King and his Debating Club. At that time it was only a journal for the efforts of the Debating Club. Thus the name Pro and Con, with the idea of presenting views both for and against. To-day in its tenth year it is a regular weekly newspaper and has nine or ten pages each week. The staff has exceeded fifty in number, the largest ever and for the first time it has been put out by a girl editor. The *Proconian* was one of the leading papers at the North Carolina Scholastic Press Institute for 1940, since its editor, Ditzzi Buice, was Co-Chairman and since the editor-elect, Mary Carolyn McDonald, was chosen Chairman for the 1941 Institute. In the fall, Frances Bason and Ditzzi Buice went as delegates to the Southern Press Conference at Washington and Lee University in Lexington, Virginia.

Pins for outstanding work on the staff for the year went to Frank Blockside, associate editor; Carol Cobb, Production Manager; Nancy Smith, news editor; James Gooch, art editor; Jewell Hogan, typist; and Ditzzi Buice, Editor-in-Chief.

A new publication this school year, the Scroll, at first under the editorship of Frances Bason, was established by the Student Council, and remains dependent on that body for its funds.

At the end of the first semester, Frances Bason resigned her position as editor of the magazine to devote her full time to the publication of Chapel Hill High School's yearbook, Hillife. At that time Daphne Athas, former associate editor, assumed full duties and responsibilities as editor of the literary publication.

The policy of the Scroll is a very definite one. The Scroll is a democratic journal, representative of, not a few supposedly select authors, but rather of the wide range and variety of talents found in the entire body of students.

## Other Activities

### DANCING CLUB

This club, which is one of the most popular in the school, meets under the direction of Miss Sue Bowden. Originally Miss Athlein Benton was the adviser. Members of the club number about fifty. Each Friday morning it meets in Miss Bowden's home room, shoves back the desks to clear a space, and dances to the music of the victrola.

We believe Mr. Honeycutt to be responsible for the club's start. He has always been interested in things that provide most enjoyment and improvement for the students. Before the dancing club came into existence, over half the students were unable to dance well. The club has, to a great measure, corrected this evil.

### RADIO CLUB

One of the smaller scientific clubs, the radio club nevertheless is extremely interesting. It was sponsored by Mr. Parkhurst. Its organization gave boys interested in radio a chance to meet and discuss things. They were particularly interested in short wave radio and in building sets. Wishing to help the boys, Bennett and Blocksidge gave them a radio to help with the club work.

Members of the club have learned so much about radio that one of them, Paul Green, was able to help the University broadcasting studio when one of the important tubes in their outfit blew out just before a broadcast. In addition members of this club are often called upon to do sound effects for plays because of their knowledge of electricity and sound.

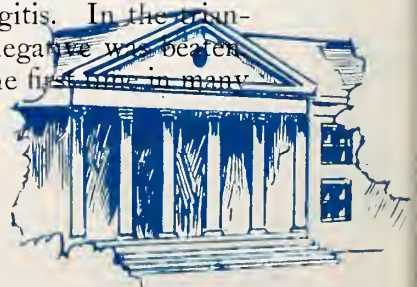

The club also did some work in broadcasting and announcing. Members went over to the University broadcasting studio to see how a radio play was broadcast. Miss Annie Ward was the adviser for the year.

### DEBATING CLUB

Mr. Walter Conrad, who has always been interested in public speaking and debate, organized the club this year.

Members studied public speaking, the art of debating, the stating of points in a debate, and other allied things. They received much literature and help from the University's Extension bureau.

This year the school participated in the state-wide debate. The debaters were coached by Mr. Conrad. A public elimination contest was held in chapel and debaters were selected from among them. The topic for the debate this year was Resolved: that the government should own and operate all railroads. Nancy Smith and Bruce Collins were chosen to represent the affirmative and Ditzi Buice and Jim McMullan the negative. Alice Adams, alternate, took the place of Ditzi Buice who had laryngitis. In the triangular eliminating debate the affirmative won, but the negative was beaten. This made the team ineligible for the finals. This was the first time in many years that Chapel Hill entered.

The Student Council has completed another successful year in its attempt to connect students, faculty, and the activities which concern them. A Student Council such as this year's has inspired students to higher ideals and has on a whole typified the thoughts and actions of the student body.

Besides the pupil achievements as a result of this student council, such as more participation in school activities, better cooperation with organizations of school, and realization of individual responsibilities, there have been many worthy and outstanding events either initiated by the council itself or appointed and propagated by the same.

With the extraordinary cooperation of many students the council was able to place in the hands of every student at the beginning of the year a very valuable handbook. This, however, would not have been possible except for valuable initiative and help of other students.

The programs of the Library Club this year were based on a list of favorite authors suggested by the club. These authors were used in contests, book reviews, questionnaires, and speeches and readings by outsiders. A movie on book making was also included.

Among the various activities of the club the most interesting were a trip to the library of the University of North Carolina and the making of the Library Club Scrap Book. The latter contained Library Club superlatives, general information about club activities written by the persons in the club, pictures of the entire club and of the officers in particular, and a Who's Who to identify members.

The Home Economics Club is an outgrowth of the Home Economics classes, although it is open to all girls in school. Our Club belongs to the American Home Economics Association as well as the state organization, and has for two years sent delegates to the state convention. The meetings are supervised by Miss Henderson. The programs are planned to be both educational and enjoyable.

Remember our 3rd period study  
hall before Mr. Peacock broke  
us up. Don't forget our History III.  
class. That's where you were so  
bright, please don't forget "Mickey".  
Loads of luck to a swell boy.

Good luck with  
your work!

you all had better  
learn on where we  
left off the year.  
were expecting. Are  
things of you with  
quizzes. Lots of  
luck. Thanks

Good luck! from
